**Re: Required Submission of Information  
Lower Darby Creek Area Superfund Site - Clearview Landfill, Folcroft Landfill,  
and Folcroft Landfill Annex**

Dear Mr. Eisler:

The U.S. Environmental Protection Agency ("EPA") is seeking information concerning the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment at the Clearview Landfill ("Clearview"), Folcroft Landfill, and Folcroft Landfill Annex portions of the Lower Darby Creek Area Superfund site, located in Delaware and Philadelphia Counties, Pennsylvania (hereinafter the "Site") (see Enclosure F for a list of Questions).

The Site is located in an industrialized portion of southeastern Delaware County and southwestern Philadelphia County, Pennsylvania, along an approximately two-mile stretch of Darby Creek, between Cobbs Creek to the north and the tidal marsh of John Heinz National Wildlife Refuge at Tinicum to the south (see Enclosure A). The Site also includes contaminated portions of areas along Darby Creek downstream as well as a portion of a 3500-acre tidal marsh.

As the attorney for the estate of Edward I. Heller, a former operator of the Clearview Landfill, EPA believes that you might possess information which may assist the Agency in its investigation of the Site.

EPA requires that you respond in writing fully and completely to the following items within **fifteen (15) calendar** days of your receipt of this letter.
